

# Jaypee Public School Annual Report

Namaste and Good Morning to All!

The objective of education is to prepare young minds to educate themselves throughout their lives. Education should be a process that equips students with skills, knowledge, and attitudes to succeed in an ever-evolving world. It should ignite a love for learning, encourage critical thinking, and foster creativity and innovation.

Today, I am honoured to present the Annual School Report of Jaypee Public School, Samirpur, offering an overview of our achievements, activities, and progress throughout the year.

Situated in the beautiful "Dev Bhumi-Himachal," Jaypee Public School is a beacon of academic excellence. Our institution is committed to nurturing young minds, empowering them with the tools they need to succeed in an ever-changing world. Our students are future leaders and innovators who will leave an indelible mark on society.

Since our founding in 2018, with just 48 students and 8 teachers, we have grown to 390 students, guided by 29 teachers and supported by more than 20 non-teaching staff. In our journey, we achieved significant milestones, including CBSE affiliation up to Class 10th in 2020, upgrading to Class 12th in 2022, and the launch of our boarding school in the same year, offering a nurturing environment for boarding students.

Behind every successful institution there is a team of dedicated and passionate individuals who work tirelessly to shape young minds. Today we take a moment to appreciate the unwavering commitment and unrelenting passion of our esteemed faculty members.

At Jaypee Public School, we maintain a teacher-student ratio of 20:1, ensuring personalized attention for every child.

Our preschool program is led by skilled NTT and JBT teachers, fostering a love for learning in a nurturing environment. Our middle school and senior secondary students benefit from expert PGTs and TGTs who engage in group discussions, inquiry-based learning, and project-based learning to encourage collaboration, curiosity, and creativity. We are also proud of our state-of-the-art science laboratories and science fairs, which help foster innovation and hands-on learning.

Our students have actively participated in several inter-school collaborations and events. These collaborations have fostered a sense of community, innovation, and knowledge-sharing. Some notable achievements include:

- Two students advanced to Round 3 in the Indian Navy Quiz on the theme 'Viksit Bharat.'
- Our Students participated in the Pragma Inter State Science Quiz at RK International School, Sarkaghat Mandi.

- Our Students presented their project on the 'Multipurpose Solar Device' at the School Innovation Marathon 2024 organised by Atal Innovation Mission with Niti Aayog and the ministry of Education Innovation cell.
- Students from classes III to XI submitted innovative ideas for the 'Youth Ideathon 2024', organized by Think startup and MEPSC in association with CBSE.
- Two of our student participated in Adolescence Peer Educator programme organised by CBSE New Delhi in Online mode.
- In a groundbreaking initiative, our teachers and students had the privilege of collaborating with the esteemed University of Sydney on a Sustainable Development Goal (SDG) project focused on 'Quality Education' in India. As part of this project, our students participated in a comprehensive survey conducted at the Government Senior Secondary Schools of Hamirpur district.

We are pleased to share that Jaypee Public School achieved a 100% pass rate in the 10th Class CBSE Board Examination for 2024. Our school topper, Pranav Raj Aryan, achieved an impressive 92%, followed by Manav Rana with 90.2%, and Arush Saklani and Shubham Thakur with 81.4%. We congratulate all our students, teachers, and parents for this achievement.

With a strong emphasis on creating an environment that inspires innovation, creativity, and growth, Our school boasts modern facilities, advanced technology, and ample space for our students to explore, learn, and succeed.

Our school infrastructure continues to improve, with

- Installation of a modern elevator, ensuring access to all floors and facilitating universal accessibility, promoting inclusivity and diversity and Installation of CCTV cameras in all classrooms, corridors and all entry exit of the school, providing an additional layer of safety and security for our students and staff.

Beyond academics, we emphasize holistic development through sports, co-curricular activities, and community engagement. Our students excelled in inter-school sports competitions, securing Gold medals in chess and 50 Mtr Race and Silver medal in kho-kho, wrestling, and more.

A special mention goes to Ayush Thakur, a boarding student, who won a Gold Medal in the 50-meter race and Divyansh Thakur who won the Gold medal in chess at the district-level competition.

Our **Inspiring Minds initiative**, where parents share their life experiences with students, has been a great success in bridging the gap between home and school, fostering a sense of community, and inspiring students.

We also organized comprehensive health camps for our students

Workshops on career counseling, stress management, and substance abuse awareness to promote holistic well-being.

Additionally, our teachers have participated in various staff development initiatives to stay updated with the latest teaching methodologies. One such initiative included a workshop on "Effective Use of Smart Boards," enhancing our teachers' ability to engage students through technology.

On September 14, 2024, we hosted a vibrant Bal Mela, where students ran food and game stalls, fostering creativity, teamwork, and responsibility.

Our boarding students have excelled in Karate, earning yellow belts and certificates from the Karate India Organization, affiliated with the World Karate Federation.

As we look ahead, we are committed to further enhancing our facilities and ensuring that our students are prepared for the digital age. Our vision includes installing interactive smart boards and continuing to develop an environment that fosters innovation, creativity, and academic success.

In conclusion, I extend my heartfelt gratitude to all members of the Jaypee Public School community—our students, parents, teachers, and staff. Your dedication and support have been the driving force behind our success. Together, we have created an environment that nurtures academic excellence, personal growth, and positive change.

Thank you for being an integral part of the Jaypee Public School family.
